

STATIC PROGRAM ANALYSIS

Lecture 12 – Inter-procedural
analysis in WALA

WALA INTER-PROCEDURAL ANALYSIS

Let's run wala's interprocedural analysis

- Context-insensitive (print out is given)
 - `-scopeFile scope/contextInterTest01.txt -mainClass Lcontext/InterTest01`
 - What is the difference between definition of transfer function of intra vs inter
- Context-sensitive (print out – try to print out the results)
 - What is the difference here between context-insensitive
- In-class work
